

iTEM 320 - Next Generation Handling

Fully integrated: - handling - natural gas compressor
 - chiller - workpiece cooling

Rough quantities and usage information

dimension / weight	max. component size	power supply	operating media
length 3.100 mm	cylindrical components Ø 240 x H 280 mm Ø 310 x H 280 mm	ca. 30 kVA	medium 1 methane /natural gas
width 1.800 mm		400 V/N/PE ~ 50 Hz	
total width 2.500 mm	square components 170 x 170 x 280 mm 220 x 220 x 280 mm	24 V DC	medium 2 oxygen
height 2.600 mm			
working height 1.150 mm			
weight 12.000 kg
